**COR:** Diane McDonough, IM-13  
**Contracting Officer:** Albert Manley, MA-641

**Specifics:** Interagency Agreement with Defense Courier Services, DOD. Station-to-Station Courier Service.

**Period of Performance:** October 1, 1997 to September 30, 2010

**Next Critical Milestone:**

- Set up a new contract for Fiscal Year 2011

**Background:**

The **Defense Courier Service** (DCS), is established under the United States Transportation Command (USTRANSCOM), and is a global courier network for the expeditious, cost-effective, and secure distribution of highly classified and sensitive material. Operational control of global courier activities is exercised through USTRANSCOM's Defense Courier Division (TCJ3-C). The division oversees and synchronizes activity of 18 courier stations world-wide
